Kensington bank mortgage rates. Kensington mortgages annual report 2019. Kensington mortgages annual report 2021. Kensington mortgage base rate.

Kensington has successfully completed the consent solicitation process undertaken to transition the bonds and swaps of the Gemgarto 2018-1, Finsbury Square 2018-2, Finsbury Square 2019-1 and Landmark 1 deals from LIBOR to a SONIA basis. The amendments have been effective from Mar-21 for the Gemgarto deal, from Jun-21 for both Finsbury Square deals and from Jun-22 for the Landmark deal. All relevant documentation in relation to this rate modification is available on the portal, in the category 'other' of each relevant deal. A lot has changed around the world, in our communities, and right here at Kensington over the last 12 months. I am very grateful for your commitment to stand alongside us and be a part of what God has called us to do to make local and worldwide impact. With your sacrificial giving, your time, your talents, I am very proud of how much we were able to invest locally. Through sending grocery gift cards, paying electricity bills, supporting frontline workers, to assembling boxes and hosting food pickups, you made it possible to share the light and love of Jesus to our local region. And globally, by reaching people hit hard with COVID through medical care in India, to helping with the water crisis in Texas this past winter, and unifying to plant thousands of churches through The Timothy Initiative in northern India. Together, we are working to spread the message of Jesus to the corners of the world. Years ago, I felt like God gave me a promise that He would bring great people in my life. And His promise has been incredible. God's work through Kensington has been remarkable and I am amazed at your desire to work, give, share, and dream together to continue advancing His kingdom. As our search for new Senior Leadership continues, I want you to know that we are fully trusting God and making every decision in faith. We still don't know all of the answers, but we are confident that God is leading us forward, together. I'll end this note to you with this... if you have felt disconnected from this community this past year, I'd invite you to take steps to re-connect. We are better together. Come back in-person, reach out to your friend or small group, jump into a volunteer team. If you are already connected, let's continue to press into these life difficulties that we are all experiencing. Let's keep our hearts soft to Jesus and those in need. You are an integral part of who we are and how we can bless others in Jesus' name. Our dream has always been to live openhandedly, and I cannot thank you enough for joining us to live life this way. I'm grateful for you, For the last 25 years, we've been helping people across the country to own their own homes. Tell us about you to start exploring
